PARTNER WITH A LOCAL SPORTS TEAM THROUGH TBCT

THE LITTLE LIFESAVERS PROGRAM

The Blood Connection's Little Lifesavers Program is designed to engage K-8 grade students in volunteerism and blood donation advocacy. In partnership with the school's Parent Teacher Association (PTA) and local professional sports team(s), students will learn about the blood supply and how to advocate for blood donations. TBC's partnerships with local pro sports teams bring extra excitement to blood donation and offer a unique prize for young students to enjoy for their hard work!

HOW IT WORKS

Form a team, host a blood drive(s), & win prizes! The PTA is responsible for hosting one or more blood drives at their school in the fall or spring semester. Each student that helps recruit donors for the drive will receive a pencil pouch with goodies.

*drives must be separate from the school's planned blood drives
